

2017 IDA FUNDS AVAILABLE

NE Oregon residents with low-to-moderate incomes who seek funds for a down payment for home purchase or home improvement project are encouraged to apply to a program that Community Connection administers called the “Individual Development Account” (IDA). IDAs provide a 3-to-1 savings match. Someone who saves \$1,000 and completes the program will receive an additional \$3,000. Up to \$12,000 total!!!

Check out the CCNO website to determine eligibility or to learn more about the program. Once accepted, participants receive free asset and money-management education and counseling, helping them build fiscal responsibility and saving habits that can last a lifetime.
