

Housing Rehabilitation Loan Program

What

The Housing Rehabilitation loan program is available to low and moderate homeowners for taking care of health, safety and maintenance issues with their existing homes. Repairs may include, but are not limited to, plumbing, electrical, structural repair, roof repair/replacement, siding, paint, windows/door, insulation, heat system, floors.

Before

After

Before

After

This program is a loan program and qualified applicants will have a lien recorded against their homes in the amount of construction and loan fees. The loan is interest-free and requires no repayment as long as the borrower is living in the home. Repayment is required when the borrower moves out of the home, sells the home, or is deceased. Repayment is only accepted as a lump-sum payment. Early repayment is accepted.

Where the service is provided

This program is able to make loans to homeowners throughout Union, Wallowa, Baker and Grant counties.

Eligibility Requirements

Eligibility requirements include income, ownership, home type, available equity, etc.
