IS YOUR NAME ON THE LUNCH LIST WHEN YOU COME FOR LUNCH????

If your name does not appear on
the daily register list when you
come in for lunch, it is because
we do not have a NAPIS form on
file for you.

**It is a requirement that we
have a NAPIS form on file for
diners 60 & over, and our
volunteers, that we serve here
at the center.**

More importantly, there is an In
Case of Emergency section. This
part is important in the
unfortunate event that we need
to seek medical attention for you
and notify someone.

Many people think that simply
coming in for a long time means
their name will automatically be
added on, but this is not true. If

you come all the time and don't see
your name automatically in the
book, or you know it's been a long
time since you filled out a NAPIS
form, please get that filled out
quickly so we can update our
records.

Easter History

In the year 325 the Council of Nicaea
established that Easter would be held on
the first Sunday after the first Full Moon
occurring on or after the vernal equinox.
From that point forward, the Easter date
depended on the ecclesiastical
approximation of March 21 for the vernal
equinox.

We wish you all a blessed and Happy Easter!
