Welcome to the Baker City Trolley!

Wherever you need to go in Baker City (work, school, shopping, medical services, or just out to eat) the Trolley will get you there!

The Trolley follows a fixed route from NEOTransit on the east side of Baker City to St. Alphonsus Medical Center on the west. There are nine timed stops (please see reverse for schedule). Bus stop signs are posted on the route but there are NOT the only places to get on the bus. The Trolley also features “flag” stops. Simply waive the driver down anywhere along the route and he or she will pull over at the nearest safe location for you to board.

For best results, you should arrive at your stop a few minutes early. Due to traffic, railroad crossing and passenger volume the Trolley will occasionally run a few minutes late. As a matter of best practices, we try to avoid running early.

The Trolley runs…
Mon - Fri: 8:00 am to 5:00 pm
We’re closed on weekends and Federal holidays.

The Trolley offers affordable single use fares and money saving multi-ride passes (even discounts for families). Passengers under the age of six ride free with a paid adult fare.

A family is defined as related adults and children living in the same residence. Family passes need only be purchased when doing so is more advantageous than buying tickets at the regular rate.

Day and Month passes may be used for an unlimited number of rides during their respective durations.

One-way tickets, tokens or fares may be purchased directly from the Trolley driver. Monthly pass tickets are available at the NEOTransit Office in Baker City (2810 Cedar Street - Stop 1).

Passes and tokens are nonrefundable and have no cash value.

Please Remember…

Trolley drivers do not carry cash (nor do they have access to the fare box). Consequently, they cannot make change. Boarding with exact bus fare is strongly recommended. If you don’t have exact change the driver will sell you one-way tokens for future rides equivalent to the value of the change otherwise due. Tokens never expire.

To ensure safe and comfortable travel for everyone, please observe the following rules:

1. Please reserve seats in the front of the bus for the elderly and passengers with disabilities
2. If your behavior creates a safety hazard you are subject to removal, citation and/or arrest.
3. Private media players are welcome when used with headphones.
4. Fold shopping carts, walkers and strollers and keep all carry on objects out of the aisles.
5. Infants should be held securely on your lap or placed in a car seat.
6. No firearms or flammable materials are allowed on board.
7. Smoking is prohibited on the bus.
8. Keep all food and beverages in closed containers and place litter in trash cans.
9. Pets are allowed (as carry on items) in FAA approved carriers only.
10. Service animals trained to provide a function that accommodates your disability are welcome. Service animals must remain on the floor (out of seats and aisle) and under the control of the owner at all times.

The Trolley is Americans with Disabilities Act accessible. We welcome your compliant mobility device! If your device has unusual dimensions you may wish to call for an assessment before attempting to board. If your disability prevents you from using a fixed route you may be eligible for ADA Paratransit (which provides door to door service). For more information on ADA Paratransit or to apply, call one of our friendly customer service representatives at 541.523.7433.

The Baker City Trolley is just one of many services linked by the Northeast Oregon Public Transit network. Below is a list of connected services. The map to the right shows the entire NEOTransit service area highlighting the served communities.
