The Wallowa Link runs between Joseph and La Grande on Mondays, Tuesdays and Thursdays with stops in Enterprise, Lostine, Wallowa, Elgin and Imbler in route. Buses may run a few minutes behind to accommodate boardings in our routed communities.

Upon arrival in La Grande our passenger can connect to:

- Baker Intercity Connector
- Greyhound
- Kayak Transit (to Pendleton)
- Public Transit services in La Grande

Link offers curbside delivery to your first destination in La Grande and is often available for local mobility needs during the layover – please call for details.

Link may be served by different buses on different days. Each of our vehicles is accessible to people living with disabilities. If your mobility device is larger than 30” wide or 48” long, please call for an assessment.

Link welcomes your disability service animal. Sorry, we cannot accommodate pets.
The Wallowa Link is a rider oriented service but we are frequently available for incidental freight transports. We accept freight under the same conditions as passenger carry-on items:

- Driver’s assistance is limited to getting your items on and off the bus
- Drivers will not assist with handling an item that weighs in excess of 25 pounds (in the driver’s estimation)
- Driver will not accept items that cannot be safely stowed (in driver’s estimation)
- Carry on items and freight may not interfere with passenger capacity

At a one way bus fare of only $5, Link is the most cost effective mobility option in Northeast Oregon.
