What is Rides to Wellness?

This program is intended to provide transportation to medical care and related wellness appointments.

We bridge the coverage gap between Medicaid/OHP and those who can afford, or have access to, private transportation.

Who is eligible?

Eligibility is determined before each requested trip

- Must be a resident of Wallowa County
- Trip must not be covered by Medicaid or Medicare
- Applicant is prevented from getting transportation by other means
    - Purpose of the trip is medical or health-related

This map shows the areas linked by our public transit division. We can also provide medical rides to most nearby major cities. Give us a call to find out how you can ride!

Community Connection
of Northeast Oregon, Inc.

We are a nonprofit community action agency providing housing assistance, senior services, public transportation, food banks, home-delivered meals, and much more to the Northeast Oregon region. You can make donations on our website at ccno.org, or just give us a call.

Care Attendants & Companions

A spouse or family member may only ride for free if they are a personal care attendant. Anyone going to their own medical care must qualify for their own ride.

We welcome your service animal or personal care attendant, but we ask that you disclose this information when you schedule your ride.
